

Techline IT Benching

TECHLINE IT BENCH

A range of fully assembled, free-standing benches for IT. The heavy duty framework is epoxy coated in grey. The MDF tops are in a beech finish and are edged with heavy duty PVC. All units are fitted with a steel cable management trough and cable ports. The modesty panel is finished in a smart dark grey. A suspended computer pedestal and two types of drawer unit are available as accessories.

To make the most of flat screens and laptops the units are available 600mm deep as well as the standard 800mm. To reflect the increasing provision of computer facilities in primary schools the units are also available 600mm high as well as the standard 720mm.
